PAGES (INCLUDING COVER): 7

Upon receiving the enclosed filing receipt with a wrong filing
date, I called some one in the Customer Service Center
who informed me to file a request for correction with
the Application Processing Division. As now informed I did not
file a Petition because none was needed to correct this obvious error.
I faxed the enclosed six pages to the number given me (703)308-7751.
The paper was received by the USPTO! I have no response to Paper No. 3
in my file! I have closed my Quad Systems office but my office on
this letter is still correct!
